

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 3742 - HB 3749

February 11, 2012

SUMMARY OF BILL: Requires members of the Tennessee Highway Patrol (THP) to include on an accident report whether physical barriers are present at the site of motor vehicle accidents, and if the presence of a barrier would have likely prevented the accident, prevented bodily injury, or prevented death.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- THP currently includes multiple statistics on accident reports that aid in the determination of whether barriers would have improved the outcome of an accident.
- Adding the trooper's opinion and whether barriers were present at the scene to the accident report will not result in a significant increase in state expenditures.
